When a young woman sits down and ponders over her future life, there is one all-important subject which she should not forget. In a day dream she may build castles in the air with a happy home, laughing children and a loving husband in the fore-ground. At that moment she may be facing death. Matrimony and motherhood hold out no happiness to the young woman who suffers from weakness and disease of the distinctly feminine organism. The woman who suffers in this way will be a weak, man who since is many a property of the periods, sickly, petulant wife, an incapable mother and an unamiable hostess. Not knowing the truth, her acquaintances will not understand that she is deserving of

not understand that she is deserving or pity rather than reproach.

Any woman may be strong and healthy in a womanly way if she will use the right remedy. Dr. Pierce's Favorite Prescription is the best of all medicines for weak and ailing women. It acts directly on the de-licate and important organs that make wifehood and motherhood possible. It makes them strong, healthy and vigorous. It banishes the dangers that surround ma-ternity. It insures a healthy baby and an ample supply of nourishment. Thousands of women who were weak, sickly, nervous invalids, are now healthy, robust wives and competent mothers of healthy children, as

Mrs. John M. Conklin, of Patterson, Putnam Co. N. Y., (Box 104), writes: "I am enjoying perfect health and have been since I took the last bottle of Dr. Pierce's Favorite Prescription. I had falling of the internal organs, or female weakness, and flowing caused by miscarriage, and was very weak when I commenced taking your medicine."
